

Press Release

Government of India fully recognizes the enduring impact of Syrian refugees on the Kingdom's resources and appreciates Jordan, its leadership and its people for their untiring, compassionate and altruistic benevolent works extended to mitigate the sufferings of the victims of scourge of this ongoing strife in Syria.

In appreciation of Jordanian government's efforts and in keeping with our historical and brotherly relations, the Government of India has made a contribution and handed over a cheque of US\$ 0.5 million to the United Nations in New York for the Emergency Response Fund for Jordan out of the funds pledged by India at the Donors Conference held in Kuwait in January, 2014. India remains committed to assist, cooperate and working with the Government of the Hashemite Kingdom of Jordan in its endeavour to confront these challenges.
